## Watoto Wa Lwanga Children Organization Feeding Program

**Background:** The beginning of St. John's involvement with Nairobi 'Watoto Wa Lwanga' Ministry began in November of 1995. After Brother Peter's Daino, a Marianist missionary working in Nairobi, spoke to the parish, we met with the purpose of how we could help him with his work. He recommended the "Under Five Feeding Program". Involved parishioners organized, structuring our mission statement "The purpose of St. John the Baptist Mission Relationship with Nairobi, Kenya, is to assist the Brothers of St. Charles Lwanga with financial and spiritual needs of the children and parents in the "Street Children's Project", thereby joining in a true discipleship both spiritually and culturally". The 'Under Five Feeding Program' provides meals to this age group

"This is a wonderful big gift again in time from the parishioners of St. John the B. through you! This is wonderful at this time when we have no much food left for children. To be honest the whole country is having food crisis, yet general political elections are on 8th August 2017. Therefore, when I say "wonderful" it is. Kindly pass our gratitude to all parishioners and friends in Tipp City.

With kind regards  
Br. Hilary Kazoora "

"On behalf of the Brothers of St. Charles Lwanga Foundation, thank you for helping the children at Watoto wa Lwanga in Nairobi. When your check reaches us, I will deposit the money in our 501 © 3 account and transfer it to Brother Hilary at Watoto wa Lwanga. --- All best, Micael Clarke | Department of English | Loyola University Chicago"

"Please thank the faith community in Tipp City. This helps at a very critical time for the children. With this money, and my four trips to the Louisville area this summer, I am hopeful we can meet the budget for the care of the malnourished little children. It really makes a difference! | Thanks again to the people of St. John. --- Bud O'Connor"
