

WE HAVE MOVED INTO DESPERATE MODE AS WE ARE STILL LOOKING FOR A 10TH

GRADE CATECHIST! The materials are very user friendly, utilize engaging videos and discussions. It's not hard and you don't have to know everything! The main goal is to share your faith journey...good and bad...with our students as they continue on the path of their own faith journey! Please let Teri know if you are able and willing!

SEEKING YOUTH MINISTRY COMMISSION MEMBERS:

We are currently looking for 2-4 students (grades 7-10) and 2 adults who are willing to serve on our Youth Ministry Commission. The Commission meets every other month during the school year and acts as an advisory group to the Director of Youth Ministry by making suggestions for activities, policies and the like. If you are interested in serving on this commission, please contact Teri Iverson (tiverson@stjohntippcity.org)

SERVICE OPP!

Thanks to the Coty family for taking the first week!!! Who else is willing to help? Our parish grounds need weeding! Our maintenance staff does a fabulous job with our parish grounds...however due to Covid-19, they are spending a great deal of time disinfecting/sanitizing our indoor spaces to help keep us all safe (and we SO appreciate their efforts!) that we thought it might be nice to help them out by offering opportunities for families to get outdoors and serve the parish in a unique way! In signing up, you are indicating that at some point during the week you'll head over to the parish and pull the weeds in the landscaping around the parish as well as the prayer garden. :) Not a tough job but your help will be greatly appreciated! Bring your own tools and buckets for the weeds. Sign up: <https://www.signupgenius.com/index.cfm?go=w.manageSignUp#/25781650>

2020-2021 PSR YEAR:

We continue to plan for PSR to be in person this year, however, our class size is limited to about 12 people to allow for the social distancing needs given our spacing. If you are hesitant to send your students to the parish classroom model, we are also offering a homeschool option, however you still need to register your students. ***Regardless of whether you choose the in person or the at home option, it is essential that we have your registrations no later than August 31. After that we will be purchasing books so that they are here in time for class to begin.***

YOUTH GROUP:

We are looking at options for us to continue to provide opportunities for our young people to gather together for youth group...and still following the state guidelines for safety. So far, some options being tossed around are an outdoor movie night, adoration night, color war...if you have any additional ideas for things we can do outside/socially distant please drop Teri an email: tiverson@stjohntippcity.org
